To whom it may concern,

I am writing this letter of recommendation for Elias Gil, who I have had the pleasure of working with over the last two and a half years. Elias is a highly skilled and dedicated Instructional Designer/Developer with many years of experience. Elias works well with others, is committed to meeting timelines, and always has a positive attitude.

One of Elias's greatest strengths is his ability to be flexible and pivot when asked on a project. He also is very creative, and it is reflective in his work. Elias also produces very high-quality solutions.

In the last two years, Elias has spent time working with many SMEs, developed video content, simulations, designing, and developing both eLearning and facilitated solutions, as well as created several training templates that exceeded our expectations.

I highly recommend Elias for a position as an Instructional Designer/Developer. He has been wonderful to work with and Elias is such a dependable and creative designer.

Sincerely,

*Melissa Orosco*
